Testimonials

Kathy was great to work with. I was able to make my daughter's wedding spectacular because of the advice and supplies Kathy provided. It's a great place to go to find what you need to give your event that extra special detail.

Kathy was very kind to us. Very helpful. Willing to go out of her way to get the things we needed even though she didn't have them in stock. She has decorations for all styles. Our theme was vintage and her ideas were fantastic. Loved working with her and look forward to doing it again for my next daughter's wedding.
